

Dear Prospective Parents and Students:

Thank you for your interest in our school. I am delighted to share information about the Waldorf School of Baltimore. We are one of more than 1,000 Waldorf schools worldwide whose teaching is based on the educational philosophy of Rudolf Steiner. The Waldorf approach to education has been proving itself for over 80 years and is reflected by the success of its students. We have been serving families of the greater Baltimore community for 40 years.

The Waldorf School of Baltimore is fully licensed by the Maryland State Board of Education. It is a member of and accredited by both the Association of Independent Maryland and DC Schools (AIMS), and the Association of Waldorf Schools of North America (AWSNA.)

In September 2007 we started our Upper School and in June 2011 we proudly graduated our first Senior Class -- making us one of 33 Waldorf Schools in North America providing a Pre-K through Grade 12 program.

Visit our beautiful hillside campus overlooking the Jones Falls Valley and the city of Baltimore. Join us for some of many events held throughout the school year where you can learn about Waldorf Education, see examples of student work, and speak with our faculty and administrators. School tours are conducted weekly. To arrange a visit please call 410-367-6808 ext. 203 or email lbufano@twsb.org. You can also explore our website for a wealth of information about school life, programs, and the curriculum.

We understand the importance of finding the best school for your child. Come discover why the Waldorf School is what you always hoped a school would be. Contact the Admissions Office to make an appointment, or call 410-367-6808 ext. 203. I look forward to meeting you soon!

With warmest regards,
