

Dear Prospective Parents:

Thank you for your interest in our school. I am delighted to share with you information about the Waldorf School of Baltimore. We are one of more than 900 Waldorf schools worldwide based on the educational philosophy of Rudolf Steiner. We have been serving families of the greater Baltimore community for 38 years; this educational approach, however, has been proving itself for over 80 years and is reflected by the success of its students.

The Waldorf School of Baltimore is fully licensed by the Maryland State Board of Education, accredited by the Association of Independent Maryland Schools (AIMS), and is a full member of the Association of Waldorf Schools of North America (AWSNA).

Our school offers parent/child classes for infants and toddlers, a nursery and kindergarten program, an elementary school (grades 1-8), and an upper school, (grades 9-12.)

We are accepting applications for the upcoming school year. We will accept students at any time during the school year if there are openings in a class. After receiving your completed application, an interview will be scheduled for you and a school visit will be scheduled for your child.

Please explore and enjoy our website, designed to give you a wealth of information about school life, our programs, and the curriculum. However, the story of our school is best told through a visit to our beautiful hillside campus overlooking the Jones Falls valley and the City of Baltimore. School tours are conducted weekly, please call 410-367-6808, ext. 203 or email [bmochan@twsb.org](mailto:bmochan@twsb.org) to reserve a space. The many events throughout the school year present wonderful opportunities to learn about Waldorf Education, see examples of student work, and speak with our faculty and administrators.

We understand the importance of finding the best school for your child. Come discover why the Waldorf School is what you always hoped your child's school would be. Contact me to make an appointment, or if you have any questions. I look forward to meeting you soon!

With warmest regards,

Pat Whitehead, Admissions Director
