Application for Admission – Upper School

Student Application: Part B

1. Self-Portrait¹

Instead of asking you to write a personal essay, we are requiring that you submit a self-portrait as part of your application. You may use any medium or art-form; for example, a verbal self-portrait might be an essay, a letter or play, or a poem. You might wish to do a painting, drawing, sculpture, or textile. You can record your voice or make a video.

Have fun with it, but make sure you tell us what you think we should know about you! You may submit this before you visit us or bring it with you at the time of your visit.

2. School Work Sample

Please submit a sample of recent academic work of which you are particularly proud. You might choose a report, a science experiment, or a main lesson book. Don't worry if there are a teacher's comments on it -- we would like to see them.

3. Biographical Information

Describe the activities you most enjoy outside the classroom, in a simple paragraph. Include clubs, hobbies, sports, volunteer work, etc.

¹ Important note: if you wish to have your self-portrait and/or your work sample returned to you, please make arrangements to pick them up from the Admissions Office.

4. Musical Instrument

Indicate the musical instrument you play (or write “none”), how long you have studied, and the names of the pieces you are currently playing.

5. Your Expectations and Questions

What qualities are you looking for in the high school you choose?

Do you have any questions about the upper school curriculum, program or social community? Please describe.
