

Pennsylvania Eurythmy Ensemble

Professional Eurythmy Troupe – will be performing for the students and all families and friends are invited to attend either or both performances.

Friday, November 2

Tamarind Hall

11:00 AM

A short, ½ hour performance geared mainly for the younger students, which includes the tale of “The Magic Tea Kettle.”

1:15 PM

A 50 minute program geared to the older students, which includes the both haunting and dramatic story from Japan, “The Crescent Moon Bear” and some additional lighter pieces.

We are delighted to be able to host the Pennsylvania Eurythmy Ensemble once again. They are always well received by our students. We are able to have this group thanks to the generosity of the Raphael Branch of the Anthroposophical Society and the Parents' Association of WSB, along with help from the newly created Eurythmy Fund.
