Saturday, September 23 • 9:30am-2:30pm

In this lecture and workshop, Kim explains why less is more and presents four simplicity pathways you can take to help your child feel calmer, happier and more secure. This is the work and the workshop which provided the inspiration for Kim's book by the same name (published in August 2009).

### Being at your Best When the Kids are at Their Worst: Simplicity Parenting Approach to Emotional Self-Regulation

Sunday, September 24 • 9:30am-2:30pm

In this workshop, Kim will look at how to stay engaged on the often frustrating and unpredictable "family dance floor" while at the same time watching from the calm and loving "parental balcony."
