In ancient times, May Day was a celebration of nature's revival after a long and cold winter. The Waldorf School of Baltimore celebrates May Day by honoring our students' families, grandparents, and friends. We invite you to join us for a day filled with classroom activities and springtime festivities.

Family members attending classrooms and presentations, **please RSVP to [development@twsb.org](mailto:development@twsb.org) or 410-367-6808 x 210 by April 27.**

PARENTS MAY SIGN OUT THEIR CHILDREN FROM THEIR TEACHER BETWEEN 12PM - 1PM.
